

Services have been modified to limit contact and ensure safe distance. As a result, all sites are operating at reduced capacity and many sites require you to remain in your car or outside of the building while completing the intake paperwork and/or tax preparation.

Taxpayers should direct inquiries about Free Tax Prep services to freetax@uwgc.org or 2-1-1. Host sites often do not have staff that work with the tax initiative, and they cannot answer questions about taxes. **Please do not call host locations unless scheduling an appointment.**
